EFEO / ECAI Workshop : GIS and databases

Siem Reap, November 29 & 30, 2008

This workshop, initiated by the Directors of EFEO and ECAI, will be held 29 and 30 November 30, 2008 at the EFEO Center of Siem Reap. The objective of this workshop is to gather researchers of the EFEO and their collaborators with the specialists of ECAI, in order to present works in progress, to confront experiences, to discuss and explore the possibilities and the perspectives for developments and collaborations in the fields of the GIS and databases.
